New Member Application

As a part of the Vashon Island community, we invite you to consider joining us in promoting the education, protection and enjoyment of the incredible birds and habitat of Vashon-Maury Island. Your contribution of interest, energy, and financial support will help us do more to protect our unique treasures.

Many Islanders do not realize that Vashon Audubon supports birding and nature on our island in a variety of ways, such as monthly birding field trips, occasional off-Island birding trips, scholarships for local high school students, educational programs in our schools and at special events, and other conservation and education work. Members also receive our bimonthly newsletter *Island Wings*, which provides information about our activities, programs, classes, and issues of concern on our islands. What a value! ***Please join us today.***
